

## They might be growing up fast, but they still need you.

Join the Stagg Community Organization (SCO) and make a difference in your student's life and in the community.

- **GET CONNECTED**  
There's no better way to know what's happening in your student's school and community. SCO provides opportunities monthly to meet and network with other parents, teachers and school administrators.
- **GIVE BACK**  
Become part of the solution to help make positive changes in your student's school and in the lives of many students. SCO provides teachers and staff with a holiday lunch in December and an appreciation lunch in the spring, as well as planning the party each year for Stagg's seniors.
- **WATCH YOURSELF GROW**  
Use your skills and hobbies for a relevant cause while setting a good example for your student and all youths in the community.
- **SPEAK UP**  
SCO provides a forum and a voice for you to get answers for your questions and concerns about Stagg.
- **EFFECTIVELY ENGAGE**  
Spend quality time with your student through SCO programs, events and resources. Show how much you care about them and demonstrate the importance you place on their education and school experience.
- **SCHOLARSHIPS**  
SCO offers scholarship opportunities to students who may not be eligible for scholarships in athletics or arts. These opportunities are only available to students of actively registered SCO members.
